MEDIA ALERT

DUNMORE and Partner Bron Aerotech Co-Exhibiting Latest Ultra-Light, High-Performance Films and Tapes for Post-Shuttle Era Space Programs at AIAA Space 2011 Conference

*DUNMORE Joins Select Group of 70 Corporate Members
in Space Industry's Leading Engineering Association*

Bristol, Pa., Sept. 20, 2011 – DUNMORE Corporation will exhibit the films protecting space projects such as the International Space Station and NASA's Juno, NPP and GRAIL missions at the AIAA (American Institute of Aeronautics and Astronautics) Space 2011 Conference.

DUNMORE will be exhibiting with partner Bron Aerotech, Inc. (Denver), a leading provider of high-performance tapes, films and fabrics to the aerospace and defense industries. Engineers will be available to discuss detailed technical qualities of DUNMORE's [ESD \(electrostatic dissipative film\) products](#) as well as materials which have been involved in space programs extending back to the Space Shuttle and Hubble Telescope programs. Art Mallet, Business Development Manager of DUNMORE's Aerospace Products Group, will be speaking on "Advances In Materials for [Multi-Layer Insulation](#)" in Exhibit Hall A on Tuesday, Sept. 27 at 10 a.m.

WHO: DUNMORE Corporation and Bron Aerotech, Inc.
WHAT: Exhibiting and speaking on the role of high-performance films and tapes in space exploration programs
WHEN: Sept. 27-29, 2011
WHERE: AIAA Space 2011 Conference
Long Beach Convention Center, Long Beach, Calif.
Booth #325

About DUNMORE

DUNMORE Corporation is a global supplier of engineered coated and laminated films. DUNMORE offers film conversion services such as coating, metallizing and laminating along with contract film manufacturing. DUNMORE produces coated film, metallized film and laminating film substrates for the photovoltaic, graphic arts, packaging, aerospace, insulation, surfacing and fashion industries. DUNMORE is privately held, ISO 9001:2008 and OSHA VPP Star certified. For complete information on DUNMORE's products, services and industries served, please visit DUNMORE's website <http://www.dunmore.com/>.
