DUNMORE Executive to Present at The Association of International Metallizers, Coaters and Laminators (AIMCAL) Conference

Patricia Sullivan, DUNMORE Corporation's Director of Organizational Development & HR will present on tools used to help manufacturing organizations retain intellectual capital for long-term organizational success at the 2016 AIMCAL Web Coating & Handling Conference.

Bristol, PA, October 12, 2016 – Patricia Sullivan, DUNMORE Corporation's Director of OD & HR, will present strategies and ideas for improving the learning culture for today's manufacturing workplace at the 2016 AIMCAL Web Coating & Handling Conference (WCHC) on October 12, 2016 in Memphis, TN. Sullivan will cover ideas and strategies for culture, design, new hires, mentor/protégé, strategic retains and quality tools for training and development.

Hosted by the Association of International Metallizers, Coaters and Laminators (AIMCAL), along with the Society of Plastic Engineers (SPE), the conference brings together industry experts from the web coating and handling supply chain. AIMCAL is the primary association representing converters of metallized, laminated and coated flexible substrates (<http://www.dunmore.com/coating>) and their suppliers.

Who: Patricia Sullivan, Director of OD & HR, DUNMORE Corporation
What: Sharing Successful Manufacturing Workplace Strategies
When: Wednesday, October 12, 2016, 8:30-9:00am
Where: WCHC Conference 2016
Memphis, Tennessee
