DUNMORE and partner MX Solar USA part of solar energy model

'Net-zero' exhibit at the European solar energy event features MX Solar USA module with DUNMORE backsheet

Bristol, Pa., Aug. 31, 2011 – An MX Solar USA module that includes a DUNMORE FPE backsheet will be displayed with other Daikin technologies supporting future “Net Zero Energy” buildings at the European Photovoltaic Solar Energy Conference and Exhibition September 5-8, 2011 in Hamburg, Germany.

[Daikin Industries](#), Ltd, a world leader in air-conditioning and fluorochemicals, is hosting the display at its booth, B1G/A21, in the conference exhibition hall. The display will show various PV module technologies and cool roofs using Daikin fluoropolymers and fluorocoatings, as well as a 3D model of a house combining Daikin A/C equipment and PV systems.

DUNMORE's U.S. and European operations are major [PV backsheet suppliers](#) to more than 45 solar module manufacturers such as the MX group, which has facilities in the U.S. and Italy. DUNMORE's PV backsheet materials protect photovoltaic modules from UV, moisture and weather while insulating the electrical load of the modules. More than 17 gigawatts of solar photovoltaic modules were installed worldwide last year.

About DUNMORE

DUNMORE Corporation is a global supplier of engineered coated and laminated films. DUNMORE offers film conversion services such as coating, metallizing and laminating along with contract film manufacturing. DUNMORE produces coated film, metallized film and laminating film substrates for the photovoltaic, graphic arts, packaging, aerospace, insulation, surfacing and fashion industries. DUNMORE is privately held, ISO 9001:2008 and OSHA VPP Star certified. For complete information on DUNMORE's products, services and industries served, please visit DUNMORE's website <http://www.dunmore.com/>.

About MX Solar USA

MX Solar USA is a manufacturer of photovoltaic modules located in Somerset, New Jersey. The company has a production capacity of 65 MW and employs 140 people. MX Solar USA is part of the MX Group, a leading photovoltaic manufacturer in both the Italian and European markets. www.mxsolarusa.com
