## **DUNMORE to Present at the 2016 International Reflective Insulation Manufacturers Conference**

*DUNMORE Business Manager Roger Drain will speak at the International Reflective Insulation Manufacturers Conference on Friday, June 3, 2016.*

**Bristol, PA, June 1, 2016** – Roger Drain, Business Manager at DUNMORE Corporation, will present the genesis of reflective technology for the housing and construction industry at the International Reflective Insulation Manufacturers (I-RIM) Conference on June 3, 2016 in Hollywood Beach, FL. Drain will cover the history of DUNMORE reflective products (<http://www.dunmore.com/products/radiant-barrier-insulation.html>), originally developed for aerospace applications, and how the technology is currently being used across different markets.

Hosted by the Reflective Insulation Manufacturers Association International (RIMA-I), the conference brings together industry experts from the reflective insulation and radiant barrier supply chain. RIMA-I is the primary trade association representing the reflective insulation, radiant barrier, and low-e reflective coatings industries.
